"Do you want to feel and look better - find out how you can by using Symmetry health products."

## **LOVE - we write songs about it...we write stories about it...we spend hours talking about it...**

Studies show that people who have satisfying, intimate relationships live longer simply because they have the power to express their feelings with someone else through their desire, love, trust and intimacy. However, it is a challenge to keep those deep emotions active and present in our lives. We're told that this experience fades as a relationship ages; stress, anxiety, illness and other life changing occurrences can all contribute to the loss of our natural, healthy libido.

Symmetry has found a healthy solution that you can use as often as you wish: Aphrodisia 136. This product is unique in that it is designed for both men and women. Symmetry is committed to enhancing the quality of your life, and we are sure this product will add love, laughter and shared joy to your life.

Aphrodisia is the effective, healthy way for both men and women to rediscover the joy of intimacy together.

Many have turned for help to products like Viagra™ which redirect the nitric oxide in a man's body, potentially causing very severe side effects. Symmetry is committed to enhancing the quality of your life, and has found a way to keep your libido healthy, with a supplement you can use without fear of unhealthy side effects. We're sure that this product will enable you to rediscover the joy and intimacy in your relationship. These wonderful feelings can add years to your lifetime while simultaneously improving the quality of those years. Nothing is as exhilarating as true intimacy and love.
