Dr. Mark Crapo

"Do you want to feel and look better - find out how you can by using Symmetry health products."

Growing older is inevitable, but feeling older doesn't have to be!

As we age, the levels of important hormones in our bodies naturally decline. In fact, studies indicate that many of the effects of aging may be related to hormonal changes. One key hormone that plays a role in this process is: dehydroepiandrosterone, better known as DHEA. DHEA is naturally produced by adrenal glands and is a precursor to other hormones. Low blood levels of DHEA are even being associated with the aging process and dangers of weakening the systems.

Unlocking the mysteries of aging with a scientific breakthrough, Symmetry created Bio-Infinity! It's a revolutionary pro-DHEA supplement for adults over 30. Just one caplet a day may help maintain youthful hormonal levels.

▶ Bio-Infinity also contains a lineup of synergistically-combined, state-of-the-art nutrients and herbs that are proven to have superb benefits against the stresses of time. These include:

- CoEnzyme Q10 - a nutrient naturally found in the body, shown to have energizing benefits for every cell in the body, while supporting the heart and body's defenses.
- Reishi mushroom - used for over 5,000 years, as a "supreme adaptogen" to address certain auto-immune conditions.
- Selected longevity-enhancing botanicals - such as schizandra, rhodiola and eleuthero, plus Agaricus, Shiitake and Maitake mushrooms, to boost the immune system and help fight the effects of mental and physical stress.

- Alpa-Lipoic acid plus a variety of antioxidant herbs and nutrients to protect the body from the effects of aging and support microcirculation.

People using BioInfinity also use these supporting products:
