"Do you want to feel and look better - find out how you can by using Symmetry health products."

Constipation is a condition no one is comfortable with. Although constipation is generally caused by poor food choices, other influences can include traveling, change in schedule, medications or laxative abuse. Lack of fiber is also a major contributor to constipation.

If you're familiar with these symptoms and often use over-the-counter laxatives, you must be aware that they tend to be harsh and may even cause discomfort. Symmetry's Botana-lax formula may be the healthy solution you've been looking for, as its gentle, yet effective blend supports elimination and digestive system health.

Use only as needed. Not intended for use during pregnancy or lactation.
