Genesis is a delicious melange of red grape and pomegranate in a mixture of apple and Aloe Vera juice infused with proprietary blend of super foods, healing herbs, powerful antioxidants, phytonutrients, and much more. Genesis is more than a juice; it helps you feel young and healthy by slowing down the body's natural aging process and boosting your energy.

Genesis contains the exclusive triple-patented X'tranol-24 that will impede the production of free radicals in the body for a full 24 hours. A single serving also provides the complete array of healthful nutrients in red wine (including resveratrol) that aid in lowering the risk of heart and cardiovascular disease and prolonging life.

We infuse Genesis with the world's most potent herbs via a process much like brewing sun tea. The herbs are steeped in a juice blend without heat to delicately extract their botanical components and avoid subtle damages to their active ingredients.
