Dr. Mark Crapo

"Do you want to feel and look better - find out how you can by using Symmetry health products."

Joint pain affects more than 1 in 7 Americans and countless others worldwide. Medical research indicates that two powerful, natural compounds glucosamine and chondroitin help soothe and nourish stressed joints, while also enhancing freedom of movement and increasing range of motion. Glucosamine and chondroitin have also been found to slow down the destruction of cartilage and provide the building blocks for cartilage repair.

Symmetry's Glucosamine Formula takes the benefits of these two powerful compounds several steps further by synergistically blending them with botanical extracts. Glucosamine Formula is a colorless, odorless powder that you can add to any drink (we suggest mixing it with [Ultra Vitality](#)) and still get the same benefits of glucosamine and chondroitin, along with 1,000g of MSM to further help maintain a healthy skeletal muscular structure.

Glucosamine Formula is advanced natural support for the health of your joints.
