"Do you want to feel and
look better - find out how you can
by using Symmetry health products."

If you are looking for an effective, state-of-the-art weight loss regimen, look no farther than SimplySlym! Our dynamic formula supports your body without the side effects often accompanied with fad diets - it combines powerful thermogenic herbs with a unique blend of key micro-nutrients that are often depleted during dieting. Simply Slym is safe and effective formula that naturally controls your appetite, boosts the metabolism, helps you burn more calories and gives you the additional energy you need when dieting.

Cha de Bugre, an indigenous plant found exclusively in South America, is also combined in our special formula. Cha de Bugre is an effective appetite suppressant; it provides a sense of being full and satiated with smaller portions, which can then promote eating smaller meals and controls your hunger more naturally.

This product does not contain ephedra.
