"Do you want to feel and
look better - find out how you can
by using Symmetry health products."

At Symmetry, we believe that any weight management program should be effective while at the same time improving your health and vitality.

Ultra Slym-Pack is a superb weight management program featuring a combination of thermogenic formulas with fat binders. It also includes a daily dose of vitamin supplements to deliver comprehensive nutrition essential for any diet plan. Ultra Slym Pack is a simple four-step program designed to produce fast, effective results.

▶ Ultra Slym Pack delivers comprehensive results for your diet.

- **SimplySlym** - An extremely powerful, yet balanced, herbal-based thermogenic formula encapsulated in a prolonged-release caplet. SimplySlym delivers effective appetite control and thermogenic fat burning, plus an energetic boost all day long.
- **CarbLess** - Encourages the body to burn stored fats first, and also reduces the amount of carbohydrates digested, making fewer carbohydrate calories available, which all support weight loss.
- **Ultra Vitality NutraPack** – These unmatched multivitamin and mineral caplets provide your body with comprehensive nutritional support, especially important when you are dieting.
- **Lipo-Sorb** - A marine bipolymer fiber blend that binds dietary fat and helps eliminate it from your body. Take before fatty meals, so the fat doesn't "stick around" in your body.
