Preferred Customer Agreement

Upon acceptance of this application to Symmetry, I agree as follows:

1. I understand there is a membership renewal fee due each year in order to maintain my active status in Symmetry.
2. I understand that this agreement will be automatically renewed each year contingent upon my continued activity and my payment of a membership renewal fee. This Agreement shall be effective from the date of acceptance by Symmetry at its office in San Jose, California. This Agreement shall be governed by the laws of the State of California. This Agreement is not assignable without the written consent of the parties hereto. I will abide by all Symmetry policies.
3. I understand that I may terminate this agreement at any time via written notice to Symmetry World Headquarters. If I should act contrary to the best interests of Symmetry Corporation (as determined by Symmetry), the company reserves the right to terminate this agreement via notice in writing, sent to the address last known to the company.

Initial Order

An initial order is a one-time order comprised of those products you order upon joining Symmetry Direct as a Preferred Customer. These products will ship upon receipt of order. The order must include products which have total points of 30 or more. The products in your initial order do not need to be the same as those in your AutoShip Order.

AutoShip Order

An AutoShip Order is a monthly product order which is automatically shipped to you at the same time each month. These monthly orders will be automatically charged to you. To remain an active Preferred Customer, you must maintain an AutoShip Order of at least 30 points.

AutoShip Substitutions

In the event that any product I have selected becomes unavailable, or if the points for any products I have selected have been reduced, I authorize Symmetry to substitute another product or products of equal or greater value to ensure that I meet my point commitment. I further authorize Symmetry to charge my account for any price difference for the substituted product(s). I may return it for an exchange and authorize Symmetry to credit or charge my account for any price difference.

Payment Authorization

I authorize Symmetry to withdraw payment for orders I place directly and for my AutoShip from my credit card or bank account as specified on the front of this agreement. I agree to pay a \$10.00 service fee in the event a check or charge is dishonored for any reason. After my account has been charged by my financial institution, I have the right to have the amount of any erroneous withdrawal immediately deposited to my account by my financial institution up to 15 days following issuance of my bank statement or 45 days after posting. I will hold Symmetry harmless for all special or consequential damages, whether direct or indirect, resulting from any wrongful debit to my account.

Changes

To change AutoShip product selections, I must send a revised Preferred Customer Agreement form, marked as a change with the changes indicated. If more than one Agreement has been submitted, the most recent Agreement will supersede all previous Agreements.

Renewal Fee for Preferred Customers

If I have enrolled as a Preferred Customer, I authorize Symmetry to charge my account a total of \$10.00 on an annual basis for the purpose of automatically renewing my Preferred Customer Agreement.
